

September 2018

NORWOOD MEDICAL CENTRE NEWSLETTER

We have 3 new
GP trainee
doctors:

Dr Crease will be
with us for a year,
Dr Carrington for
4 months and Dr
Sherratt for 6
months.

*Flu is coming! We
are planning
clinics in late
September–
book yours early.
Please note that
this year there
are 2 different
vaccines, one for
the under 65s
and one for
everyone 65 and
over.*

We have had a lot of staff changes
this year and are now getting back to
a full house.

Over the last few months we have
welcomed Jordan McAllister and
Sheridan Pitts to our reception team.

Rebekah Burley will be joining our
admin team soon and Lauren, our
Health Care Assistant, will be
returning from maternity leave in
November.

Sadly we also lost Ruth Smith, our
Deputy Practice Manager who left to
run a kennels in Scotland.

We are happy to say though that in
September we will be joined by Alison
Redshaw who will be working part
time as Practice Manager in a job
share with Caroline Lee. Caroline will
be retiring in September 2019 when
Alison will take over the role full time.
